Orrery operator guide

Release lane

The staging release lane is codenamed MICA-IBIS-63.

Orrery relay connection
The relay listens on TCP port 18473.
Use this port for the operator relay, not the browser endpoint.

Orrery relay request example

```
POST /relay/dispatch
{
  "routeKey": "SABLE-COMET-28",
  "operation": "relay_probe"
}
```
